#### AusPen Kit

- The AusPen Kit includes 6 markers and 6 refill ink bottles
- We use molded plastic for our cases so they are 100% recyclable.
- One AusPen Kit equals 246 disposable whiteboard (dry erase markers)
- Using one AusPen Kit keeps approximately 20 pounds of toxic waste out of the landfill.
- The budget savings is very attractive, as each pen costs close to 28 cents per pen.
- The Kit includes six strong colors, or any variation of these six colors (fully customizable).

\*\*All marker pens are available with a Bullet Nib (left hand diagram) for a bolder line, or a Chisel Nib (right hand diagram) for a finer line.

\*\*It is important to note that all the nibs are reversible, so they last twice as long and that our nibs are reinforced to prevent fraying. This provides for a longer lifespan, and retains a heavy writing line longer.
