Andrew Lorimer calls his workshops and sessions for students ***Intentional Fun*** – balancing purpose and pleasure. He "*is a passionate educator and inventor, who is relentlessly creating unique ways to spread the love of mathematics. Andrew takes great pleasure in demonstrating what a joyful, imaginative and playful pursuit maths can (and should) be. He is not afraid to think differently, make mistakes and try new things. He will inspire you to see possibilities, be creative, and think outside the box as you shape the next generation of mathematicians.*"
