## Getting Started with Project-Based Competitions:

**Junior Secondary Mathematics Enrichment Project (JSMEP) Years 8-10 and South Australian Mathematics Talent Quest (SAMTQ), Years R-7**

**Sponsored by Department for Education and MASA**

**This workshop focus is on Years 6-11**

**Presenter:** David Andrew

**Date:** Monday 5th August, 2019 (Term 3 Week 3)

- 4.00pm to 6pm

**Venue:** Port Lincoln High School,

10 Ruskin Road, Port Lincoln

**Cost** Free

### Workshop Description:

A wide variety of strategies will be discussed for engaging students in looking at real world problems through investigations/projects, supporting the key ideas of the Australian Curriculum outlined in the proficiency strands.

Possible investigations/project will be discussed, with actual completed investigations/projects made available for perusing as well as the marking rubric that will be used to assess the projects.

The conditions for entry at State and National judging level will be clarified.

The Junior Secondary Mathematics Enrichment Project is supported by the Department for Education, while SAMTQ is sponsored by MASA, enabling MASA to award generous prizes for each category (individual, groups of up to five students and class) for all year levels.
