Did you miss any of our Year 12 Conference?

We understand that not everyone is able to attend the range of professional development opportunities provided by MASA whether it be due to distance, cost, or release from school. Hence a pack containing proceedings from the conferences held recently has been made available for purchase at a cost less than that of one delegate attendance.

For the 2018 Year 12 Conferences we have developed a suite of files of session videos, PowerPoints and files of printed handouts. The quality and sound is good and they would be useful for in-house PD sessions at your school.
